A. DISPOSABLE INCOME, TAX RETURNS & TAX REFUNDS Unless this Plan provides for a dividend of 100% to all timely filed, allowed general unsecured creditors, the Debtor(s) agrees to pay all disposable income as defined in 11 U.S.C. Section 1325(b)(1)(B) and (2) during the Applicable Commitment period (ACP). Unless otherwise provided in this plan, debtors agree to remit to the Chapter 13 Trustee their tax returns and tax refunds and other disposable income for the ACP for administration pursuant to their plan or as otherwise ordered by the Court. Income tax refunds and other disposable income paid to the Trustee in the case of plan with a 36 month ACP will operate to decrease the term of the Plan to the ACP but not below ACP rather than increase the dividend paid to general unsecured creditors. The Debtor(s) agree to continue the same level of tax deductions as when the case was filed except as affected by changes in dependents and/or marital status.

Based on the disposable income available the Trustee shall have the discretion without further notice to creditors to:

1. increase the percentage to the unsecured creditors as a result of additional payments made under this provision subject to the limitation set forth in paragraph IV.A above,
2. reduce the (length) of the plan but not below the applicable commitment period,
3. determine if available funds are not disposable income when the Debtor provides the Trustee with supporting documentation and a stipulation regarding the same.

B. VESTING OF ESTATE PROPERTY Upon confirmation of the Plan, all property of the estate shall remain property of the estate until discharge unless marked below:

(x) Pursuant to 11 USC § 1327(b) upon Confirmation of the Plan, all property of the estate shall vest in the Debtor, except (I) future earnings of the Debtor; (II) additional disposable income, and (III) other property necessary to the Plan (including personal and real property as defined in the Plan and any associated insurance proceeds which may be used by the Debtor, with Court approval, to purchase replacement collateral.) 11 USC § 348(f)(1) remains effective in the event of a conversion to another chapter.

In any case, all property of which Debtor retains possession and control shall be insured by the Debtor(s). The Chapter 13 Trustee will not and is not required to insure assets and has no liability for damage or loss to any property in Debtor's possession and control.

C. PROHIBITION AGAINST INCURRING POST-PETITION DEBT & DISPOSAL OF PROPERTY During the term of this Plan, the Debtor(s) shall not without Court approval: (1) incur debt in excess of \$2,500.00; (2) dispose of any real property; or (3) dispose of any personal property claimed as exempt with a fair market value greater than \$10,000.

D. UNSCHEDULED CREDITORS FILING CLAIMS If a creditor's claim is not listed in the schedules, but the creditor files a timely proof of claim, the Trustee is authorized to classify the claim into one of the classes under this Plan and to pay the claim within the class, unless the claim is disallowed.

E. ALLOWANCE OF LATE FILED CLAIMS Claims by unscheduled or omitted pre-petition creditors, without notice of the bankruptcy filing, may be deemed timely filed.

F. CLAIMS AND AMENDED CLAIMS If an allowed late claim, an amended claim, or deficiency claim is filed and Trustee has disbursed to general unsecured creditors such allowed late claim, amended claim, or deficiency claim shall be paid the same dividend as previously paid to general unsecured claims, to the extent possible, even if the base to general unsecured claims exceeds the amount stated in the confirmed Plan. The Chapter 13 Trustee shall not be required to recover any overpayments to general unsecured creditors as a result of the filing of the afore -mentioned claims.

(I) With regard to secured claims filed by creditors holding security interests in real property that is surrendered pursuant to this plan, each such secured creditor must file an amended claim asserting its unsecured deficiency claim, if any, on or before the date 90 days after the foreclosure sale. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor shall not be entitled to payment through the Chapter 13 Plan and such secured creditor's claim will be discharged upon entry of a discharge order in this case.

(II) With regard to secured claims filed by creditors holding security interests in personal property surrendered in this plan, and executory contract holders or lessors whose contracts or leases are rejected under this plan, each such secured creditor, executory contract holder or lessor must file an amended unsecured claim for its deficiency balance or asserted contractual damages on or before the date 6 months (180 days) after the date of entry of the Confirmation Order. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor, executory contract holder or lessor shall not be entitled to payment through the Chapter 13 Plan, and such secured creditor, executory contract holder or lessor's claim shall be discharged upon entry of a discharge order in this case.

(III) Claimants holding wholly unsecured claims pursuant to Provision III. C. 1. e. shall file their claim on or before the general unsecured claim bar deadline. If they do not file such claim(s) by that deadline, they shall receive no distribution.

G. TRICKETT NOTICE.

() Check if Debtor(s) is taking the State Entireties Exemptions: Joint claims must be paid in full if taking the state entireties exemptions. Creditors are advised they have until the claim filing bar date as stated in the Notice of Chapter 13 Bankruptcy Case, Meeting of Creditors and Deadlines to file a Proof of Claim in this bankruptcy proceeding. If creditor has a joint claim against the Debtor and spouse, the claim must be clearly marked "JOINT CLAIM". The claims must include documentary support and be filed correctly.

5. Continuing claims: Those secured claims on which the last payment is due beyond the length of the plan and paid a set monthly payment (subject to adjustment in paragraph D below) including but not limited to monthly mortgage payments, land contract payments and other long term non-modifiable debts such as executory contracts.

If the post-petition mortgage payment is paid through the Plan, the Trustee is authorized

- A. to modify the on-going mortgage payment upon receiving a notice that has been issued by the mortgagee. The Trustee may receive the notice from either the Debtor or the mortgagee,
- B. increase the Debtor(s) plan payment for any mortgage increase,
- C. amend a wage order for such increase with notice to the employer, Debtor(s) and Debtor's attorney, and
- D. adjust the post-petition mortgage payment date or the date through which arrears is calculated as needed to coincide with any pre petition mortgage or land contract arrearage claim filed by the mortgagee or land contract vendor.

6. Other secured claims and executory contract claims on which the last payment will become due within the plan duration and arrearage on continuing claims paid as equal monthly payments.

7. Arrearage on continuing claims and other secured claims without equal monthly payments shall be paid on pro-rata basis.

8. Priority Unsecured claims on a pro rata basis.

9. General Unsecured claims on a pro rata basis.

II. Creditor payment initial disbursement date: payment designated as equal monthly payments on secured claims, executory contracts, priority unsecured claims, attorney fees, and tax escrow accruals shall be scheduled to commence the first day of the month following the month of the Petition filing date unless otherwise stated in the Plan.

The Chapter 13 Trustee shall not recover funds disbursed to general unsecured creditors to fund the attorney fees order.

L. PLAN REFUNDS. The Trustee may agree to reasonable refunds to the Debtor from the funds paid to the Trustee. The Plan duration may be extended to repay all refunds granted. The Debtor may be required to file a Plan Amendment.

M. TRUSTEE'S AVOIDANCE POWERS. The Debtor(s) acknowledges that both pre and post confirmation the Trustee has discretion to utilize certain avoidance powers pursuant to Sections 544, 545, 547, 548, 549, and 550. Notwithstanding any other language in this plan no lien shall be involuntarily avoided unless an adversary proceeding is filed. The Debtor(s) acknowledges that any action(s) brought by the Trustee, either pre or post confirmation, pursuant to these avoidance powers is preserved for the benefit of the Estate pursuant to Section 551. The Trustee may bring any avoidance action within the period of time set forth in Section 546.

N. LIEN RETENTION: Holders of allowed secured claims provided for by the Plan shall retain the lien securing such claim until the earlier of (i) the payment of the underlying debt determined under applicable non-bankruptcy law or (ii) a discharge. After either one of the foregoing events has occurred, creditor shall release its lien and provide evidence and/or documentation of such release within 30 days to Debtor(s). However if the case under this chapter is dismissed or converted without completion of the plan, such liens shall also be retained by such holder to the extent recognized by applicable non-bankruptcy law. Holders of allowed secured claims with the last payment due after the final payment of the plan shall retain the lien pursuant to non-bankruptcy law after discharge.

O. TERMINATION OF THE AUTOMATIC STAY. Upon reviewing notice of the filing of a Motion for relief of the Automatic stay the Trustee shall cease disbursing payments to the secured creditor but shall reserve in escrow said payments until further order of the Court. On entry of an order terminating the automatic stay (pre-confirmation or post-confirmation) the Trustee shall make no further payments to that creditor and any reserved escrowed amounts shall be released for the benefit of the other creditors in accordance with the confirmed plan unless otherwise ordered by the Court.

P. ADDITIONAL PROVISIONS:

1. Limit on notices; exclusion of creditors who have not filed claims After the claims bar date, notice of plan amendments, professional fee applications, and motions filed by the debtor and/or counsel may only be given to creditors who filed a claim or appearance. Creditors who have not filed a claim or appearance will not be given notice of plan amendments, fee applications or motions. A filed proof of service shall reflect such limited service with the court. This provision for limited notice shall not apply to motions to dismiss the Chapter 13 case or to notices that a discharge has been entered. This limitation is for creditors only and does not impact notice required to other parties in interest (e.g., the United States Trustee and the Chapter 13 Trustee). Debtors will give notice to parties of an action even if they did not file a claim or appearance if this party is directly affected.

2. Escrow provision for administrative claims The trustee shall escrow \$25 per month of the debtor's plan payments to be reserved for payment of all allowed administrative expenses. Applications for administrative expenses not previously allowed or ordered will be filed at least 30 days before the time of the final audit or the 59th month of the plan whichever comes first in order to be paid from escrowed funds. Failure to apply for the escrowed funds will result in distribution pursuant to the confirmed plan of escrowed funds on plan completion. Additional allowed administrative expenses, including attorney fees, may reduce the base amount to unsecured claims specified in paragraph III.F.1.

3. RETENTION OF TAX REFUNDS: THE DEBTOR WILL RETAIN UP TO \$1,500 PER YEAR OF INCOME TAX REFUNDS DUE TO THE BUDGET AND THIS AMOUNT IS TO BE USED FOR NECESSITIES. ANY ADDITIONAL REFUNDS WILL BE PAID TO THE PLAN.

4. Secured Claims Provision: In the event that collateral is surrendered or an order for relief from stay is entered as to collateral, a deficiency claim must be filed within 90 days of sale or disposition of collateral. A deficiency claim is the amount left over after the creditor takes possession, sells the collateral and applies the sale proceeds to the amount owing. Any deficiency claim shall not reclassify any debt in contravention of In Re Nolan, 232 F.3d 528 or In Re Adkins, 425 F.3d 296.
